

In accordance with *Government Guidelines* regarding Coronavirus (Covid-19) we are now temporarily closed.

Where possible BTW staff are working from home. We will continue to offer the same level of service and support as we usually would but do appreciate your patience during this time.

Please contact us on our normal telephone number and we shall return your call as soon as we are able to.

Please also email us as you normally would and again we shall answer any emails as soon as we are able to.

We appreciate that this is a difficult and unprecedented time that all businesses are facing and we shall work with you as much as we can. To offer up to date support we are continuously updating the news section of our website and this will give you the support and guidance that you need regarding the announcements from the Chancellor and Prime Minister.

We would like to take this opportunity to wish all of our clients well during this time. Take care.
